Seven-year-old Jordan Gonzales sprints for the end zone. Brownfield's Pop Warner youth football program recently began its fall season.

Brownfield Middle School sixth-grader Catherine Bergera (center) won a bicycle after her name was drawn from those of all the students who turned in their "Parent/Student/Teacher Compact" forms on time. Catherine is the daughter of Teresa Bergera. She is shown accepting the bike with Principal Michelle Cooper and Assistant Principal Aaron Waldrip and surrounded by BMS "positive/negative" artwork, one of several ongoing projects. The Compact is a requirement under No Child Left Behind that promotes parental involvement.
