BHS Cross Country runners improve

Brownfield's cross country runners improved their times Saturday in the Regional meet at Mae Simmons Park in Lubbock, but didn't advance to the state meet to be held Saturday in Round Rock.

Head Coach Amy Villasenor said she was proud of all of her athletes following the race.

"We didn't advance, but we ran very well and we are part of a very fast region," she said. "The runners that make it out of this region will do very well at the state meet."

The Brownfield girls team entered the regional meet as District 2-2A champions, earning the title at the district meet, held on the same course in Mae Simmons Park.

"It was good that we were familiar with the route and had been here before," the coach said. "It helped us compete well and improve our times."

The girls team finished 19th overall with a combined time of 1:10:58.55.

The girls' average time was 14:11.71.

Isidra Guerrero was the Lady Cubs' top finisher with a time of 13:36.52.

Elizabeth Alaniz was Brownfield's second finisher with a time of 14:02.12, followed by Hannah Adair, who ran the course in 14:17.75.

Lady Cub Victoria Castro was next with a time of 14:20.21.

Symphony Munoz finished in 14:41.95, trailed by Victoria Deluna in 15:15.83 and Alyssa Rodriguez in 16:12.60.

In the boys race, two BHS runners made it past the district competition.

Brownfield Cub Phillip Burris placed 82, individually, with a time of 19:01.09.

Miguel Guerrero finished in 94th place, running the course in 19:22.45.

The race marked the end of 2012 cross country season, which Coach Villasenor deemed a success.

"Our athletes improved their times week by week, which is what we set out to do," she said. "That's a great foundation to start building our program up. I'm already looking forward to next year."
