Lady 'Cats get win

Wellman-Union's girls hoops squad got their third win of the season Friday night, and earned every hard-fought point.

The comeback victory - 39-33 over Loop - was the first in their new district season.

The Lady Wildcats were down 4-12 at the end of the first quarter and 14-18 at half-time. They were fairly even with the Lady Longhorns through most of the third, but down by two with less than two minutes left on the clock when they pounced into a literally-last-second scoring frenzy.

"The girls really scared me because they started out slow in the first quarter," said head coach Todd Ellis. "However, they didn't quit and played hard the next three quarters and made their free throws. I am really proud of them for sticking it out and playing hard."

Rosa Olivas led with 11 points.

The Lady 'Cats (1-1, 3-10) were set to play in Welch Tuesday night as the *News* was going to press, and will be back at home Friday to host Sands.

Wellman-Union's Kirk Martin heads for the basket. The Wildcats lost to Whitharral Friday night.

'Cats fall to Whitharral

Wellman-Union's pack of Wildcats wrapped up their preseason Friday night with a 24-57 home loss to Whitharral.

The highly-ranked Panthers quickly demonstrated their reputation, frequently shooting from behind the three-point line to leave the Wildcats with a painful 0-20 deficit just at the first quarter. Sophomore Luis Gonzales finally landed a shot for the home team in the second quarter and Braden Caldwell scored a few times in the next two, but the 3-39 halftime score was still too much from which to recover.

"Whitharral is a top-20 team, and they played like it," said head coach JoeBob Ussery. "Their size definitely hurt us, and they were on from the three-point line."

Scorers included Caldwell 10, Gonzales 6, Kirk Martin 4 and Vincent Tedford 3.

The 'Cats were set to begin district season in Dawson Tuesday night as the *News* was going to press.

"We will get back to the basics this week and be ready for district," Ussery said.

18-Wheeler Wrecks
EXPERIENCE COUNTS
Lawyers with more than 100 years combined expertise.
It's easy to blame the driver when a big rig is involved in a wreck, but the truth is usually much more complex. When trucking company management cuts corners in training, equipment and maintenance, the rest of us pay the price. If you or someone you love has been killed or injured in an 18-wheeler truck wreck, call us today for professional insight.
