

## All About 4-H

## TABLE OF CONTENTS

This project was a combined effort of the Brownfield News, Terry County 4-H and made possible by the businesses who support our youth in the 4-H program. For more information about 4-H contact:

Texas AgriLife Extension Service 209 South 5th Street 806.637.4060 October 7-13 is National 4-H Week. Students in Kindergarten through 12th grade learn leadership, citizenship and life skills through 4-H. 4-H is about having fun, learning, exploring and discovering. We are proud of the 100+ Terry County students who are active in a variety of 4-H projects. 4-H gives them the chance to pursue their own interests – from photography to cooking and from designing clothes to raising rabbits and much, much more! They go places; they earn trips together, compete in district contests, and attend state camps and national conferences. They learn to be leaders and active citizens.

We appreciate the support of our County Judge and Commissioners, Brownfield Mayor and City Council members, and local school districts for their support of our

activities. We also offer special thanks to the Brownfield News and the advertisers for making this local salute to 4-H possible. And, a huge "thank you" to the parents and volunteers who support and enable all of our 4-H programs!

If you have any questions about 4-H, please call the Texas A&M AgriLife Extension Service – Terry County, 637-4060, or come by our office at 209 S. 5th St., Brownfield
