

Brownfield's Bree'Ann Vasquez sets up for a bunt. The Lady Cubs traveled to Seminole for a tournament last weekend.

## Lady Cubs play in Seminole tourney

Brownfield's pack of Lady Cubs took the field for last weekend's Seminole tournament and returned with their first-ever over-the-fence grand slam.

Batter Haeven Salazar landed the home run in the competition-opening game against the Lady Maiden tourney hosts to bring the Lady Cubs to a 13-9 comeback victory.

Brownfield suffered a 0-15 loss in the next round of the tournament to 5A Odessa-Permian. They kept the Lady Panthers from run-ruling them in the third inning, but came out with a loss at the end of the time limit.

They beat the Lady Lopes of Abernathy in the third game to earn a spot in the Gold Bracket.

"We knew that the competition in the Gold Bracket was going to be tough," said Coach Brenna Bruns. "What we didn't count on was our 14 errors in our first game against Kermit. They took advantage of our lack of concentration and moved on to the winner's

side of the bracket, eventually playing for the championship."

That loss sent the Lady Cubs to the city fields, where they again faced the Lady Panthers. Once again, they were unable to run-rule them in the third, but went to the end of the time limit.

They then immediately went to game three for the day against Presidio.

"We were 0-3 for the day, but saw lots of great things from our girls," Bruns said. "The officials and opposing coaches were very complimentary of the way our girls played."

The junior varsity squad traveled to Ralls during the weekend, where they finished 1-2 in a varsity tournament.

As the *Brownfield News* was going to press Tuesday evening, the Lady Cubs were set to open district play with a home match against Coahoma.
