

## Lady Cubs open district with Coahoma loss

Brownfield softball suffered a rough district-opener Tuesday night with a 22-4 home loss to Coahoma.

The Lady Bulldogs' 17 hits and home team's 13 errors made an unfortunate combination, but the Lady Cubs are enthusiastic about turning around their early-season 0-1 record.

"The Lady Bulldogs stepped onto the field ready to play, and we just weren't," said Head Coach Brenna Bruns.

On the bright side, two of the team's three injured players were able to return on a very limited basis.

Freshman catcher, Bry Cruz, knocked in three of the team's four runs, going three for three at the plate. Senior Kaley Kevil landed the fourth run. Senior center fielder and lead-off batter Dallas Bruns, crossed the plate twice and stole the Lady Cubs' only base that evening. Senior Haeven Salazar and sophomore Symphony Munoz also added a run apiece for the Lady Cubs.

The junior varsity team came out ahead with particularly-notable performances by freshmen pitchers Kassandra Gonzalez and Sydney Dennis, Bruns said.

"They played well defensively and did a fantastic job at bat and on the bases," she said. "I can't wait to see what's in store for them this season."

The Lady Cubs will travel to Snyder this weekend for a tournament, then return home for another district match at 11 a.m. Tuesday against Denver City. Next is a home match at 6 p.m. Thursday against the Lubbock Titans and the annual alumni game at 8 that evening.

## State-Bound Tennis Send-off

*(ABOVE, RIGHT) Adults and children lined the streets wishing the State-bound Brownfield Cub Tennis Team good luck.*

*The team left for the State tournament Thursday afternoon with a police escort through parts of Brownfield including downtown.*

*(LEFT) Lady Cub Alycia Rodriguez gave it her all in the long jump pit last week at the Littlefield track meet, hosted at Cub Stadium due to snow and ice on the Wildcats' track. The Brownfield teams were at the Lamesa track Friday for a meet there.*
